

SHC COMMUNITY RESOURCE DIRECTORY

Directory is comprised of local, regional & national service providers and support systems to ensure that the needs for our clients & their families are addressed.

In an effort to facilitate proper linkage, please contact the listed agency directly to inquire about services provided, populations served, fees, hours of operation, agency contact and referral requirements.

For anyone requiring assistance due to hearing impairments, please contact the agency for TTY/TDD listing. For more information about communication access, contact the New Jersey Division of Deaf & Hard of Hearing at (800) 792-8339 Voice/TTY, or contact the NJ Division of Addiction Services at (609) 984-3311 Voice or TTY (609) 292-6735

Bilingual staff is available for those requiring communications in Spanish. All others in need of interpretation services will be accommodated within 24 hours.

Remember, the Internet, telephone directory (411) & your colleagues are invaluable reference sources as well!

INDEX

Directory categorized by general areas. Listings for specific agencies, services, referral sources and pertinent needs may be cross-referenced throughout. Also, agencies denoted with () provide services to HIV positive population exclusively.*
